

## SEPTEMBER 2019 CYCLE (RESIT) KEY DATES

### BSc in Computing/Ethical (September 2019) - Coursework

| <b>STAGE 1, Semester 1</b> |   |                                     |
|----------------------------|---|-------------------------------------|
| <b>Module Code</b>         | <b>Module</b>                               | <b>Submission Date</b>              |
| STW120CT                   | Computer Architecture and Networks          | 5 <sup>th</sup> – 11th July, 2020 * |
| STW121COM                  | Introduction to Computing                   | 5 <sup>th</sup> – 11th July, 2020 * |
| <b>STAGE 2, Semester 1</b> |   |                                     |
| <b>Module Code</b>         | <b>Module</b>                               | <b>Submission Date</b>              |
| STW205CDE                  | Developing the Modern Web                   | 5 <sup>th</sup> – 11th July, 2020 * |
| STW210CT                   | Programming, Algorithms and Data Structures | 5 <sup>th</sup> – 11th July, 2020 * |
| <b>STAGE 3, Semester 1</b> |   |                                     |
| <b>Module Code</b>         | <b>Module</b>                               | <b>Submission Date</b>              |
| STW300CEM                  | Android Applications Development            | 5 <sup>th</sup> – 11th July, 2020 * |
| STW304CEM                  | Web API Development                         | 5 <sup>th</sup> – 11th July, 2020 * |
| STW307CR                   | Interactive Pervasive Computing             | 5 <sup>th</sup> – 11th July, 2020 * |

### BSc in Computing/Ethical (September 2019) - Exam

| <b>STAGE 1, Semester 1</b> |   |                             |
|----------------------------|---|-----------------------------|
| <b>Module Code</b>         | <b>Module</b>                               | <b>Submission Date</b>      |
| STW120CT                   | Computer Architecture and Networks          | 19th July, 2020             |
| STW121COM                  | Introduction to Computing                   | 23 <sup>rd</sup> July, 2020 |
| <b>STAGE 2, Semester 1</b> |   |                             |
| STW210CT                   | Programming, Algorithms and Data Structures | 20 <sup>th</sup> July, 2020 |
| <b>STAGE 3, Semester 1</b> |   |                             |
| STW307CR                   | Interactive Pervasive Computing             | 20 <sup>th</sup> July, 2020 |

**\*Module Leader will mention the exact submission date in Assignment Brief or during support sessions.**

## MODULE SUPPORT FACULTY NAME

| Faculty Name      | Module                | Email                       |
|-------------------|-----------------------|-----------------------------|
| Ramesh K Pudasain | STW120CT              | stw0003@softwarica.edu.np   |
| Ganesh Bhusal     | STW120CT,<br>STW307CR | stw0019@softwarica.edu.np   |
| Shyam S Khatiwada | STW121COM             | stw0007@softwarica.edu.np   |
| Sudeep L Bajimaya | STW121COM             | stw0006@softwarica.edu.np   |
| Niman Maharjan    | STW205CDE             | stw0001@softwarica.edu.np   |
| Sujit Gyawali     | STW205CDE             | stw0009@softwarica.edu.np   |
| Pratik Bhusal     | STW210CT              | stw0005@softwarica.edu.np   |
| Kiran Rana        | STW300CEM             | stw0004@softwarica.edu.np   |
| Achyut Timsina    | STW304CEM             | computing@softwarica.edu.np |
